

## **Web Site Use Policy**

The materials on this web site are provided for informational purposes only and do not constitute a representation or warranty as to City of Nixa status, condition or performance or a commitment as to any matter disclosed on this web site. These materials are intended, but not promised or guaranteed to be current, complete or up to date. The materials on this web site are offered only for general informational purposes. The documents and materials displayed or mentioned on this site are not official copies of documents. If you need official copies of any document displayed or mentioned on this site, you should contact the appropriate City office. Neither the City of Nixa nor its officers, agents or employees are liable for any harm suffered as a result of reliance on information contained in this site.

We reserve the right to restrict usage that may compromise the performance or security of our web site. Such usage may include but is not limited to malicious probes or attacks as well as attempts to mirror web site data using automated data retrieval programs.

This web site contains many pages of hyperlinks to other resources on the Internet. These links are provided as aids to help you identify and locate other Internet resources that may be of interest and are not intended to state or imply that the City is affiliated or associated with, or is legally authorized to use any trade name, registered trademark, logo, legal or official seal, or copyrighted symbol that may be reflected in the links.

## **Privacy Policy**

The Missouri Sunshine Law applies to the City of Nixa, and the City is committed to complying with the law. Providing this web site to the public, and access to the public information herein, is part of our commitment to providing citizens access to the workings of their city government.

The City of Nixa does not track information about individuals and their visits to our web site. Instead, we process information in the aggregate to determine how better to serve the public through our web site, such as monitoring which pages are most popular, which forms are most downloaded, etc. However, e-mails may be disclosed to others to provide a more complete response.

## **Security Policy**

To ensure that the City of Nixa web site remains available to the public, we monitor network traffic to identify unauthorized attempts to change information or cause other damage to the site.

## **Content Policy**

Because third parties can provide information that appears on the web site, the City of Nixa cannot guarantee the accuracy, completeness, content, or timeliness of any information appearing on the web site. The City provides all information on its web site on an "as is" basis.

The City of Nixa disclaims any and all liability for claims or damages that may result from access to its web site or information contained therein. Because the City exercises no control over and makes no effort to independently verify information on third party web sites whose links may appear on the City web site, we are not responsible for the information or services such third party web sites provide.

Users of the City of Nixa web site should not consider the City's mention of products or services, or providers thereof, as endorsements. Any such references are for informational purposes only.

## **Linking Policy**

Links or pointers to other web sites created and/or maintained by private or other public organizations may appear on the City's web site. Such links are provided for the convenience of our users and for informational purposes only. The appearance of links on the City's web site should not be construed as an endorsement. When a link is selected, a user leaves the City web site and is then directed to a third party web site, making them subject to the policies and requirements of that web site.

## **Accessibility Policy**

The City of Nixa is committed to providing access to our web pages to individuals with disabilities. We recognize the importance of making our web site available to the largest possible audience, and our goal is to attempt to design the web site to be accessible by everyone
