M.I.L.K. Program

This is a program offered through *Farmers Insurance* that provides parents with identification software that can be used in the event of a missing child. On Wednesday, November 19th, we will be having the police department come and take a picture and fingerprint your child. This information is then placed on a CD and given to you to keep. There will be a form going out soon that will explain this in greater detail. If you would like for your child to participate, just fill out the bottom of the form and return it before the 19th.

Lights on Afterschool

Thank you to all the families who came and participated in this event!!! We appreciate you and enjoyed being able to celebrate family and after school care in one evening. We look forward to making next year's celebration even better!

Wal-Mart Angel Tree

With the approaching holiday season, we would like to let you know way in advance that we plan on adopting at least one boy and one girl from the angel tree at Wal-Mart. There will be more information coming out as soon as the tree is put out and the children are picked.

**CHARACTER WORD FOR NOVEMBER:
