

# FEBRUARY NEWSLETTER

## HIGH POINTE SAFE BASE

BY AUDRA MCDONALD

### This Month's Highlights

This month we will be working on several activities in Safe BASE. The week before Valentine's Day, we will be making heart shaped ornaments, paper valentines, and decorating cookies. The following week, our kids will have the chance to explore other cultures. We will be working on African tribal masks, Chilean rainsticks, and be making multicultural close pin dolls. The kids will also have a chance to play a variety of multicultural games.
