

Issue: STRATEGIC PLAN UPDATE PRESENTATION: RELIABLE INFRASTRUCTURE & SUSTAINABLE ECONOMY

Date: June 23, 2022

Submitted By: Drew Douglas, Director of Communication

Summary:

Nixa City Council adopted a 5-year Strategic Plan for the city in 2020. The plan identifies 6 strategic priority areas.

I will have a PowerPoint presentation for council at this meeting to provide an update on the city's progress towards fulfilling the action plans laid out in two of the six strategic priority areas: Reliable Infrastructure and Sustainable Economy.
