

Issue: RESOLUTION FOR DEPARTMENT OF TRANSPORTATION GRANTS

Date: February 3, 2022

Submitted By: Joe Campbell Chief of Police

Background

Per City policy, City Council can adopt a resolution allowing for the application and acceptance of non-matching grants from the Missouri Department of Transportation Division of Highway Safety (Mo DOT) for the funding of traffic safety programs. On an annual basis, the police department applies for specific DWI, and Hazardous Moving Violations (HMV) grants. These grants are a primary funding source for our DWI and HMV enforcement efforts throughout the fiscal year.

Additionally, the police department also applies for various smaller program specific non-matching traffic grants offered by MoDOT often referred to as "mini" grants. These include the following:

1. Youth Seatbelt Enforcement
2. Youth DWI Enforcement
3. Click It or Ticket
4. July 4th DWI Enforcement
5. Holiday Enforcement
6. Youth Alcohol Enforcement
7. Drive Sober or Get Pulled Over

Analysis

The above-mentioned grants financially support the police department's efforts to make the roads of city safer. These grants cover the costs of additional traffic enforcement overtime hours worked by our officers. Without this grant funding, overtime hours worked by officers for these types for traffic enforcement efforts would be limited or eliminated due to department budget constraints.

Recommendation

Staff recommends approval of the resolution.
