

**Issue:** Council Bill 2022-082. An Ordinance of the Council Readopting Section 2-4 of the Nixa City Code.

**Date:** August 5, 2022

**Submitted:** Nick Woodman, City Attorney

---

## **Background**

Chapter 105 RSMo. contains provisions which require certain elected officials, candidates for certain elected offices, and certain administrative officials to file financial interest statements with their respective City Clerks and the Missouri Ethics Commission.

Section 105.485 RSMo. contains authorization for cities to adopt an ordinance, biennially, to provide for different requirements than what is required under State statute.

The City of Nixa has routinely adopted such an ordinance, most recently in 2020 by the adoption of Ordinance No. 2137. The provisions of Ordinance 2137 were codified at Section 2-4 of the Nixa City Code.

Section 105.485 RSMo. requires those cities which have elected to adopt their own financial disclosure ordinance to readopt said ordinance biennially. Ordinance 2137 was adopted and approved by the Mayor on 8/24/20.

## **Analysis**

The Council Bill presented for consideration is substantially similar to the bill approved in 2020. There is one change of note.

This year, the bill contains a penalty clause. A penalty clause proscribes the consequences to those who do not comply with the provisions of Section 2-4 of the Nixa City Code. The proposed penalty clause for Section 2-4 is a reference to Section 1-9 which is the general penalty clause for violations of the City Code, meaning violations of Section 2-4 will be treated like any other violation of the City Code. This was already the case under the previous version of Section 2-4 because of the general applicability of Section 1-9. Providing the reference to Section 1-9 merely clarifies the intent of Council.

However, this approach leads to the need for further discussion and direction by the Council.

Because the City will be adopting an ordinance to govern financial disclosures, the method of enforcement will be the same as other ordinance violations. This means that

violations of this section will be prosecuted through the municipal court process. This leads to some considerations that the Council should be aware of.

First, violations of this section will likely need to be prosecuted by a special prosecutor. There are conflict of interest issues for the City Attorney to prosecute violations of these sections (ex: Prosecuting a sitting member of Council for violations). The process of appointing a special prosecutor could be contentious as well. The Council will need to appoint a special prosecutor, if the alleged violation is against a sitting member of Council or the Mayor, the meeting for approval of the appointment of a special prosecutor could be very contentious.

Additionally, municipal ordinance violations usually only result in monetary fines.

If the Council were to choose to not adopt this bill, the City would default to the state statute requirements for financial disclosure. These provisions are enforced by the Missouri Ethics Commission, not the City.

This would remove the concerning enforcement questions and lodge the enforcement of members' compliance with financial disclosure requirements with an independent state agency.

The penalties for violating the requirements as provided under state statute are much more stringent and can include the potential for removal from office for failing to provide the statements after 30 days' notice from the Ethics Commission (Penalty statute is found at Section 105.492 RSMo).

However, should the Council decide to operate under the State law requirements regarding financial disclosure, those required to file financial disclosure statements will be required to file the long form instead of the short form. Both forms are included as attachments to this memorandum (Short Form – Attachment 1; Long Form – Attachment 2).

### **Recommendation**

This bill is presented to allow Council to make an informed decision on how to proceed with this issue. Council must pass this Ordinance before September 1 for Section 2-4 of the Code to be effective for another 2 years. Should Council elect to operate under the provisions of Chapter 105 (which would require providing the information requested in the Long Form) Council can choose not to adopt this bill or repeal these code sections at a later date.
