Re: Nixa Community Foundation Grant Request

Nixa Parks and Recreation would like permission to apply and accept, if awarded, a grant from the Nixa Community Foundation. The Parks Department would like to ask for \$1,500 for additional speakers and speaker stands for the Movies in the Park system.

As we continue to see crowd sizes increase for the free movie series, we offer each year the ability to provide the community with additional sound to ensure the entire experience for the community. By expanding the sound system, we will be able to give more of a surround sound feel and ensure that everyone will be able to hear the movie as they spread out throughout the park.

These added amenities would provide new experiences for the Nixa community and allow for further development of these programs in the future if desired. This would be a non-matching grant if awarded to allow us to expand this system for the future.

Thank you in advance for your support of this endeavor.

Respectfully,

Matt Crouse
Director, Parks and Recreation
