

## RE: BID AWARDS IN EXCESS OF \$50,000.00

### Background:

According to section 9.6 of the current purchasing policy, "All bid awards and capital purchases over \$50,000.00 shall be presented to Council."

### Analysis:

The following represents all bids awarded since April 10, 2023 in excess of \$50,000.00 that do not have a contract associated with it.

| Vendor                       | Item             | Amount        | Type               |
|------------------------------|------------------|---------------|--------------------|
| Consolidated Pipe and Supply | Water Meters     | \$ 103,458.80 | Annual Contract    |
| United Systems & Software    | ERT Water Meters | \$ 63,000.00  | Annual Sole Source |
|                              |                  |               |                    |
|                              |                  |               |                    |
|                              |                  |               |                    |
|                              |                  |               |                    |
|                              |                  |               |                    |
|                              |                  |               |                    |

### Recommendation:

This memo is for informational purposes only; no Council action is required.
