

## **RE: Ordinance Prohibiting the use of ATVs on City Streets**

### **Background:**

In 2018, the City Council adopted bill #2018-087 allowing golf carts to be operated on city streets with a permit issued by the City of Nixa. During that time, there was a lot of discussion on the use of UTVs and ATVs. The council elected to not allow UTVs on City streets and indicated they did not want ATVs used on City Streets as well. There is an ordinance, #20-392, that currently allows the use of an ATV on City Streets with a permit issued by the City of Nixa, no permits have been issued for ATVs based on the discussions in 2018.

### **Analysis:**

During a recent discussion, questions were raised regarding the ordinance allowing the use of ATVs on City streets, causing staff to re-evaluate the ordinance. After discussions with Nick Woodmen, it was decided the best course of action, if Council does not want to allow ATVs on City streets, would be to amend chapter 20, article V, Division 6, Section 20-392 of the Nixa City Code to prohibit the operation of all-terrain vehicles on streets within the City. If passed, the amended ordinance would still allow the use of ATVs owned and operated by a governmental entity for official use and would also allow ATVs to operate for agricultural purposes or industrial on-premise purposes between the official sunrise and sunset on the day of operation. This will be the second reading of the ordinance.

### **Recommendation:**

Due to the safety concerns regarding the use of ATVs on City streets, staff is recommending the approval of the ordinance amending chapter 20, article V, Division 6, Section 20-392 of the Nixa City Code to prohibit the operation of all-terrain vehicles on streets with the City.
