

## RE: Resolution for Department of Transportation Grants

### Background:

Per City policy, the City Council can adopt a resolution allowing for the application and acceptance of non-matching grants from the Missouri Department of Transportation Division of Highway Safety (MoDOT) for the funding of traffic safety programs. On an annual basis, the police department applies for specific DWI, and Hazardous Moving Violations (HMV) grants. These grants are a primary funding source for our DWI and HMV enforcement efforts throughout the fiscal year. For fiscal year 2024, we are seeking \$8,350.00 for HMV enforcement and \$8,500.00 for DWI enforcement.

Additionally, the police department also applies for various smaller program specific non-matching traffic grants offered by MoDOT often referred to as “mini” grants. These include the following:

1. Youth Seatbelt Enforcement
2. Youth DWI Enforcement
3. Click It or Ticket
4. July 4th DWI Enforcement
5. Holiday Enforcement
6. Youth Alcohol Enforcement
7. Drive Sober or Get Pulled Over

### Analysis:

The above-mentioned grants financially support the police department’s efforts to make the roads of the city safer. These grants cover the costs of additional traffic enforcement overtime hours worked by our officers. Without this grant funding, overtime hours worked by officers for these types for traffic enforcement efforts would be limited or eliminated due to department budget constraints.

### Recommendation:

Nixa Police Department staff approval of the resolution.
