

A RESOLUTION OF THE NIXA CITY COUNCIL AUTHORIZING THE SELL OR DISTRIBUTION OF BEER AND WINE FOR THE 2025 NIXA SUCKER DAYS MULTI-DAY SPECIAL EVENT

Background:

Section 16-325 of the Nixa City Code requires that any special event that extends across multiple days or involves the sale or distribution of fermented malt beverages (beer) or wine, must first receive authorization from the City Council.

Analysis:

The 2025 Nixa Sucker Days is scheduled for Friday May 14 – Sunday May 18 and is planned to involve the use of public property for the temporary sale/distribution of beer and wine during the event. The specific location identified for the consumption of alcohol is the city-owned and maintained parking lot, and a portion of South Main Street between Highway 14 and East Elm Street, shown on the map enclosed with this exhibit and incorporated into the resolution by reference.

Section 16-325 provides for several conditions that must be satisfied for the sale or distribution of alcohol for special events, including:

1. The applicant must obtain the appropriate permits or licenses from the Missouri Department of Liquor Control.
2. The applicant shall receive a special event permit from the Planning and Development Department prior to the event.
3. The person whose name is on the application shall be present at the special event throughout the event.
4. A designated, fenced area shall be provided with one entrance and one exit. The applicant shall man the facility with adult security personnel who will be responsible for verifying, with proper identification, any patron's legal drinking age.
5. No person who is under or appears to be under the influence of alcohol consumption shall be sold or provided with additional beer or wine.
6. The organizer of the event shall provide enhanced security (auxiliary police, contracted security, or of like-kind personnel) at the expense of the organizer during the event.
7. Beer or wine shall not be distributed or sold after 10:30pm and no alcohol shall be left on the premises after the event closes.

8. The designated area, along with all distribution equipment used for the sale and distribution of beer or wine shall be removed from the facility by noon the following day.

The resolution accompanying this exhibit restates these codified requirements as conditions of the resolution that must be satisfied prior to the commencement of the event or its planned activities.

Recommendation:

The applicant has addressed the requirements of Sec. 16-325 in the information packet for Sucker Days. Staff recommends approval.
