3. Payment.

3.1. Progress Payments.

3.1.1. Provided that Contractor performs the Services in the manner set forth herein, the City shall pay the Contractor in accordance with the provisions of this Contract, which shall constitute full and complete compensation for the Contractor's work. Such compensation shall be paid in progress payments subject to receipt of a requisition for payment and a statement of the work provided by the Contractor for the period covered by the requisition.

3.1.2. The Contractor is responsible for ensuring that the requisition is received by the City no more than 6 months after completion of the work embraced within said requisition. 3.5. Final Completion and Final Payment.

3.5.1. Final Completion is the point at which all work under this Contract has been completed by the Contractor in strict compliance with the terms of this Contract and the Contractor is ready to receive its Final Payment. Final Completion will only occur when

all of the following conditions, unless waived in writing by the City, have been satisfied:

3.5.1.1. All work is complete and in compliance with this Contract.

3.5.1.2. Contractor has submitted to the City a Final Payment Application for all funds remaining due under the Contract.

3.5.3. The Contractor shall notify the City, in writing, when it considers Final Completion has been achieved. After receiving such notice, the City shall, within a reasonable time, thereafter, schedule an inspection of the work to determine if Final Completion has been achieved. The Contractor agrees to reasonably cooperate with the City's payment verification vendor's requests for information.

3.7. Liquidated Damages. The parties mutually and expressly agree that time of completion

of work by the Contractor is of the essence due to the fact that work needs to be completed before the end of the fiscal year for budgetary purposes. Should Contractor, or in the case of default, the surety, fail to substantially complete the work within the time specified in this Contract, or within such extra time as may be allowed, Contractor (or surety) shall be liable to the City in the amount of \$500 per day for each and every calendar day that the performance of this Contract remains uncompleted after the time allowed for substantial completion, as liquidated damages, and not as a penalty, it being stipulated that actual damages to the City and the public arising from Contractor's failure to timely complete the work would be difficult, if not impossible, to ascertain. The amount assessed as liquidated damages may be withheld from any funds otherwise due to Contractor from the City. The Services are not considered complete until final acceptance by the City.

4. Exchange of Data and Cooperation. 7. Termination.

7.1. Termination for breach. The City shall give written notice of termination to the Contractor. In the event of any litigation arising from breach of this Contract, the City shall be entitled to recover from the Contractor all reasonable costs incurred for such litigation, including staff time, court costs, attorney fees, and all other related expenses incurred in such litigation.

7.2. Termination for Convenience. The City shall have the right at any time upon 90 days written notice to the other to terminate and cancel this Contract, without cause, for convenience. In such event final payment to the Contractor shall be limited to services provided by the Contractor as of the effective date of said termination.

7.3. Non-appropriation. This Contract shall be terminated upon the failure of the City Council of City to appropriate funds for this Contract in any term of said Contract.

8. City's Right to Proceed. In the event this Contract is terminated, the City may take over the work and prosecute the same to completion, by contract or otherwise, and Contractor and its sureties shall be liable to the City for any costs over the amount of this Contract thereby occasioned by the City. In any such case, the City may take possession of, and utilize in completing the work, such materials, appliances and structures as may be on the work site and are necessary for completion of the work.

The foregoing provisions are in addition to, and not in limitation of, the rights of the City under any other provisions of the contract, city ordinances, and state and federal laws.

9. Confidentiality. Any reports, data, or similar information given to, prepared or assembled by the Contractor under this Contract shall be considered the property of the City and shall not be made available to any individual or organization by the Contractor without prior written approval of the City. The provisions of this Paragraph shall survive the termination or expiration of this Contract.

10. Conflict of Interest. Contractor certifies that no member or officer of its firm or organization is an officer or employee of the City of Nixa, Missouri, or any of its boards or agencies, and further that no officer or employee of the City has any financial interest in this Contract which would violate any applicable federal regulations or the provisions of RSMo. Section 105.450 et seq or the provisions of Nixa City Charter Section 13.1.

11. Assignment. Neither party may assign, transfer, or delegate any or all of its rights or obligations under this Contract, including by operation of law, change of control, or merger, without the prior written consent of the other party. No assignment shall relieve the assigning party of any of its obligations hereunder. Any attempted assignment, transfer, or other conveyance in violation of the foregoing shall be null and void. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

12. Nondiscrimination. The Contractor agrees in the performance of this contract not to discriminate on the ground or because of race, creed, color, national origin or ancestry, sex, religion, handicap, age, status as a protected veteran or status as a qualified individual with a disability, or political opinion or affiliation, against any employee of Contractor or applicant for employment and shall include a similar provision in all subcontracts let or awarded hereunder. 14.1.5.3. Contain an endorsement that disclaims coverage for any claim barred by the doctrines of sovereign immunity or official immunity, except attorney's fees and other litigation costs incurred in defending a claim. 14.2. All insurance policies required pursuant to Paragraph 14 shall:

14.2.1. Be issued by insurance companies reasonably accepted by the City, able to transact business within the State of Missouri, and with an A.M. Best Rating of no less than a B+ Rating;

14.4. Failure of the Contractor to maintain the coverages set out in this Paragraph 14 shall not relieve it of any contractual responsibility or obligation or liability in general or under this Contract.

14.5. This Paragraph 14 shall not be construed in any manner as waiving, restricting, or limiting the liability of the Contractor for any obligations imposed under this Contract (including but not limited to, any provisions requiring a party hereto to indemnify, defend, and hold harmless under this Contract).

14.6. Subcontracts. In case any or all the performance of this Contract is sublet, the Contractor shall require the subcontractor to procure and maintain all insurance required in this Paragraph 14. Contractor shall provide evidence of such insurance from said subcontractor.

Contractor shall cause appropriate provisions to be inserted in all subcontracts relating to this Contract, to bind all subcontractors to Contractor by all the terms herein set forth, and insofar as applicable to the work of subcontractors and to give Contractor the same power regarding termination of any subcontract as the City may exercise over Contractor under any provisions of this contract. Nothing contained in this contract shall create any contractual relation between the subcontractor and the City.

16. Independent Contractor Clause. This Contract does not create an employee/employer relationship between the parties. It is the parties' intention that the Contractor shall be an independent contractor and not the City's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act, minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Missouri revenue and taxation laws, Missouri workers' compensation, and unemployment insurance laws. The Contractor shall retain sole and absolute discretion as to the judgment and manner

and means of carrying out the Contractor's activities and responsibilities hereunder. The Contractor agrees that it is a separate and independent enterprise from the public employer, that it has a full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. The Contractor shall defend, indemnify and save harmless the City, its elected or appointed officials, agents and employees from and against any and all liability, suits, damages, costs (including attorney fees), losses, outlays and expenses from claims in any manner caused by, or allegedly caused by, or arising out of, or connected with, this contract, or the work or any subcontract thereunder (the Contractor hereby assuming full responsibility for relations with subcontractors), including, but not limited to, claims for personal injuries, death, property damage, or for damages from the award of this contract to Contractor, notwithstanding any possible negligence, whether sole or concurrent, on the part of the City, its officials, agents and employees.

17.3. The Contractor shall indemnify and hold the City harmless from all wages or overtime compensation due to any employees in rendering services pursuant to this Contract or any subcontract, including payment of reasonable attorneys' fees and costs in the defense of any claim made under the Fair Labor Standards Act, the Missouri Prevailing Wage Law or any other federal or state law.

17.4. The indemnification obligations of Contractor hereunder shall not be limited by any limitations as to the amount or type of damages, compensation or benefits payable by or for the Contractor, under any federal or state law, to any person asserting the claim against City, its elected or appointed officials, agents, and employees, for which indemnification is sought.

17.5. The indemnification obligations herein shall not negate, abridge or reduce in any way any additional indemnification rights of the City, its elected or appointed officials, agents and employees, which are otherwise available under statute, or in law or equity.

17.6. Contractor affirms that it has had the opportunity to recover the costs of the liability insurance required in this Contract in its contract price. Contractor's obligation under this Contract to defend, indemnify, and hold harmless any person from that person's own negligence or wrongdoing is limited to the coverage and limits of the applicable insurance required of the Contractor under this Contract.

17.7. The Contractor shall indemnify and hold the City harmless for any penalties, fines, fees or costs, including costs of defense, which are charged or assessed by any federal, state or local agency including, but not limited to, Environmental Protection Agency or Department of Natural Resources.

If at any time the Contractor is found to not have paid prevailing wages, the Contractor shall forfeit as a penalty to the City \$100.00 for each calendar day or portion of a calendar day for each worker paid less than the stipulated required rates for any work done under this Contract by the Contractor or by any subcontractor under the Contractor. Notwithstanding the foregoing, if the engineer's estimate of the total project cost or the bid accepted by

However, if the project becomes subject to a change order that increases the total project cost to more than \$75,000.00, a "prevailing hourly rate of wages" or the public works contracting minimum wage, whichever is applicable, shall be paid for all labor utilized in the construction of the improvements but only for that portion of the project which exceeds \$75,000.00.

The Contractor shall provide an acceptable notarized affidavit stating that Contractor has verified the completion of a 10-hour construction safety program with respect to the employees working in connection with the contracted services. Contractors and subcontractors in violation of this provision will forfeit to the public body \$2,500.00 plus \$100 a day for each employee who is employed without training. Public bodies and contractors may withhold assessed penalties from the payment due to those Contractors and subcontractors. The penalties shall not begin to accrue until the time periods in the statute have elapsed (60 days after notice to proceed and 20 days to produce documentation for employees found in violation).
