ISSUE STATEMENT: PUBLIC HEARING AND POSSIBLE VOTE CONCERNING THE PROPOSED MINOR SUBDIVISION OF THE PROPERTIES LOCATED AT LOT 2 OF TEANEY ACRE SUBDIVISION & 607 E MT VERNON ST

DATE: SEPTEMBER 1, 2026

SUBMITTED BY: ALEKSANDR ZHIZHIN

PRESENTED BY: PLANNING AND DEVELOPMENT DEPARTMENT

Background

Teaney Acre Subdivision was approved and recorded in December of 1999. The undeveloped Lot 2 of Teaney Acre is 1.04 acres and is zoned R-1 for a single-family home. The applicant acquired Lot 2 of Teaney acres along with the vacant single-family home at 607 E Mt. Vernon St., which is zoned NC (Neighborhood Commercial) and lies immediately to the South of the subject property, in June of 2022.

Analysis

The proposed Minor Subdivision would split Lot 2 of Teaney Acre into two approximately ½ acre lots. The boundaries of 607 E Mt Vernon would also be altered to accommodate a private drive for the proposed new lots.

There is an existing 15' Sewer easement along the south property line of the subject property that would be retained. The standard 10' perimeter easement was granted to accommodate and maintain utility extensions. Municipal Water & Sewer are both readily available in the immediate area, Electric would need to be extended from 607 E Mt Vernon to the North along Eastwood Dr to serve the newly created lots. The extension of municipal utility services in accordance with the Nixa Technical Specifications Manual would be required before building permits could be issued for the newly created lots.

Recommendation

The proposed Minor Subdivision is in conformance with the Comprehensive Plan which suggests residential use in this area. The proposal conforms with Nixa City Code Section 115- Minor Subdivision Approval and Section 117: 277 – Dimensional Standards. Staff recommends approval.
