

## **RE: Contract with Advanced Exercise for fitness equipment at the new police facility**

### **Background:**

As part of the construction project for the new police facility, the police department has requested council approval for City Administrator Liles to enter a contract for fitness equipment for the new police facility located at 305 Leeann Drive.

### **Analysis:**

We received three quotes for the fitness equipment. The police department selected Advanced Equipment since it was the best fit for the department's needs. Advanced Exercise also participates in a cooperative purchasing program which satisfies the City's bid process.

The total amount of this contract is \$79,020.55. These products were estimated in the initial project budget, and the actual contract amount is within the total program budget.

The contract has been reviewed and recommended for approved by our owner's representative, Navigate Building Solutions, and has been reviewed by Nixa city attorney Mike Mayes.

### **Recommendation:**

It is staff's recommendation City Council pass this resolution to allow CA Liles to enter this contract with Advanced Exercise for fitness equipment for the new police facility.

**PROFESSIONAL SERVICES CONTRACT FOR THE DESIGN LAYOUT, PURCHASE AND INSTALLATION OF FITNESS EQUIPMENT AT THE NEW POLICE DEPARTMENT FACILITY**

**THIS PROFESSIONAL SERVICES CONTRACT FOR THE DESIGN LAYOUT, PURCHASE AND INSTALLATION OF FITNESS EQUIPMENT AT THE NEW POLICE DEPARTMENT FACILITY** (“Contract”) is made and entered into upon its execution by the City of Nixa, Missouri, a Constitutional Charter City organized under the laws of the State of Missouri (“City”) and Advanced Exercise LLC, a foreign Limited Liability Company organized under the Laws of the State of Colorado and authorized to transact business in the State of Missouri (“Service Provider”).

**WHEREAS** the City, after utilizing a cooperative contract with Sourcewell, referenced as Contract No.052324-LFF, desires to engage Service Provider to purchase and install fitness equipment under the terms and conditions of this Contract; and

**WHEREAS** the Service Provider desires to perform the Services described herein under the terms and conditions of this Contract.

**NOW, THEREFORE**, for the considerations herein expressed, it is mutually agreed by and between the City and the Service Provider as follows:

**1. Services.**

- 1.1.** The Service Provider agrees to perform and undertake the Services described herein.
- 1.2.** The Service Provider shall perform said Services in accordance with the standard of care, skill, and expertise ordinarily used by other members of Service Provider’s profession in performing similar services.
- 1.3.** In all matters related to this Contract, the Service Provider shall act in the best interests of the City. The Service Provider agrees that in the performance of the Services, it shall exercise its independent professional judgment to provide candid advice and services on behalf of the City, free from any conflicting interest.
- 1.4.** The Services are described in Exhibits A and B, which are attached hereto and incorporated herein by this reference (“Services”).
- 1.5.** Service Provider shall furnish all supervision, labor, tools, equipment, materials, and supplies necessary to perform the Services at Service Provider’s own expense in accordance with the contract documents, any applicable City ordinances, and any applicable state or federal laws.

**2. Addition to Services.** The City may add to the Services or delete therefrom services, provided that the total cost of such work does not exceed the total cost authorized herein. The Service Provider shall undertake such changed activities only upon the written direction of the City. All such directives and changes shall be in written form and shall be accepted and countersigned by the Service Provider.

**3. Payment.**

### **3.1. Progress Payments.**

**3.1.1.** Provided that Service Provider performs the Services in the manner set forth herein, the City shall pay the Service Provider in accordance with the provisions of this Contract, which shall constitute full and complete compensation for the Service Provider's work. Such compensation shall be paid in progress payments subject to receipt of a requisition for payment and a statement of the work provided by the Service Provider for the period covered by the requisition. Service Provider is responsible for ensuring that the requisition is received by the City no more than 6 months after completion of the work embraced within said requisition. The City shall have no obligation to pay any requisition for payment which is received by the City more than 6 months after the completion of any work embraced within said requisition.

**3.1.2.** Such requisition shall include an acknowledgement signed by both the City and the Service Provider that the Service Provider has fully performed the work to be paid for in such progress payments in conformance with the Contract.

**3.1.3.** If applicable, the City shall provide notice to the Service Provider of any payment amount withheld and the reason for such withheld payment.

**3.1.4.** The acceptance of any payment under this Contract expressly constitutes a release of the City by the Service Provider and its subcontractors from any and all claims which were made or could have been made by the Service Provider and its subcontractors against the City which may arise out of or are related to this Contract prior to the date of payment by City.

**3.1.5.** Requisitions shall be submitted to the City via the [AccountsPayable@nixa.com](mailto:AccountsPayable@nixa.com) email address, or in writing to the address of the City provided below.

**3.1.6.** Subject to the provisions of Paragraph 3, the City shall pay the Contractor within 30 days of receipt by the City of the requisition.

**3.1.7.** Notwithstanding the foregoing, the City agrees to pay for hardware and materials up to the amount of **\$39,510.28** upon delivery to the City and receipt of a valid invoice, prior to installation.

**3.2. Payment Conditioned on Acceptable Performance.** No payment shall be made by City unless Service Provider's performance for work which it seeks payment was completed in compliance with the provisions of this Contract. No partial payment to the Service Provider shall operate as approval of acceptance of all work completed by Service Provider prior to the date of payment.

**3.3. Availability of Funds.** The total potential compensation to be paid to the Service Provider over the entire term of this Contract, including all renewals, is estimated to be **\$79,020.55** and shall in no event exceed this amount.

Notwithstanding the total contract value, the parties expressly agree that the City's obligation to make payments under this Contract is contingent upon the annual appropriation of funds by the City Council. The Director of Finance's certification applies only to this amount for the current

fiscal year.

**3.4.** In the event the City Council fails to appropriate funds for the performance of this Contract in any future fiscal year, this Contract shall automatically terminate, effective at the end of the last fiscal year for which funds were appropriated. The City shall provide the Service Provider written notice of such non-appropriation at the earliest opportunity. Such termination shall be without penalty or expense to the City, and the City shall have no further liability or obligation to the Service Provider except for payment for services satisfactorily performed and expenses reasonably incurred prior to the effective date of termination.

**3.5. Additional Payment Terms.**

**3.5.1.** Payment to Service Provider shall be by check or electronic funds transfer, at the sole discretion of the City, and payment shall be provided to the Service Provider at the address or account number provided by Service Provider.

**3.5.2.** Service Provider shall be required, as a condition precedent to any payment made as part of this Contract, to sign up and comply with the requirements of the City's payment verification vendor, currently PaymentWorks. The Service Provider agrees to reasonably cooperate with the City's payment verification vendor's requests for information.

**4. Exchange of Data and Cooperation.** All information, data, and reports in the City's possession and necessary for the carrying out of the Services, shall be furnished to the Service Provider without charge, and the parties shall reasonably cooperate with each other in every possible way in the carrying out of the Services.

**5. Personnel.** The Service Provider represents that Service Provider shall secure at Service Provider's own expense all personnel required to perform the Services. Such personnel shall not be considered employees of the City. All the Services required hereunder shall be performed by the Service Provider or under Service Provider's direct supervision and all personnel engaged in the work shall be fully qualified and shall be authorized under state and local law to perform such Services. None of the Services covered by this contract shall be subcontracted without the prior written approval of the City.

**6. Term and Renewals.**

**6.1. Term.** This Contract shall commence upon its full execution by the Parties and shall continue for a period of **One Year** (the "Initial Term") or until the project, including installation, is complete, unless sooner terminated pursuant to Paragraph 7.

**7. Termination.**

**7.1. Termination for breach.** Failure of Service Provider to fulfill Service Provider's obligations under this Contract in a timely and satisfactory manner in accordance with the terms of this Contract shall constitute a breach of the Contract, and the City shall thereupon have the right to immediately terminate the Contract. The City shall give written notice of termination to the Service Provider. In the event of any litigation arising from breach of this Contract, the City shall be entitled to recover from the Service Provider all reasonable costs incurred for such litigation, including staff time, court costs, attorney fees, and all other related expenses incurred in such litigation.

**7.2. Termination for Convenience.** The City shall have the right at any time upon 30 days written notice to the other to terminate and cancel this Contract, without cause, for convenience. In such event, final payment to the Service Provider shall be limited to services provided by the Service Provider as of the effective date of said termination.

**7.3. Documents, reports, and data to be provided to City.** In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the Service Provider related to this Contract shall be provided to the City and shall become the property of the City, and the Service Provider shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials; provided, that the Service Provider shall not be relieved of liability to the City for any damages sustained by the City by virtue of any breach of the Contract by the Service Provider.

**8. City's Right to Proceed.** In the event this Contract is terminated, the City may take over the work and prosecute the same to completion, by contract or otherwise, and Service Provider and its sureties shall be liable to the City for any costs over the amount of this Contract thereby occasioned by the City. In any such case, the City may take possession of, and utilize in completing the work, such materials, appliances and structures as may be on the work site and are necessary for completion of the work. The foregoing provisions are in addition to, and not in limitation of, the rights of the City under any other provisions of the contract, city ordinances, and state and federal laws.

**9. Confidentiality.** Any reports, data, or similar information given to, prepared or assembled by the Service Provider under this Contract shall be considered the property of the City and shall not be made available to any individual or organization by the Service Provider without prior written approval of the City. The provisions of this Paragraph shall survive the termination or expiration of this Contract.

**10. Conflict of Interest.** Service Provider certifies that no member or officer of its firm or organization is an officer or employee of the City of Nixa, Missouri, or any of its boards or agencies, and further that no officer or employee of the City has any financial interest in this Contract which would violate any applicable federal regulations or the provisions of RSMo. Section 105.450 et seq or the provisions of Nixa City Charter Section 13.1.

**11. Assignment.** Neither party may assign, transfer, or delegate any or all of its rights or obligations under this Contract, including by operation of law, change of control, or merger, without the prior written consent of the other party. No assignment shall relieve the assigning party of any of its obligations hereunder. Any attempted assignment, transfer, or other conveyance in violation of the foregoing shall be null and void. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

**12. Nondiscrimination.** The Service Provider agrees in the performance of this contract not to discriminate on the ground or because of race, creed, color, national origin or ancestry, sex, religion, handicap, age, status as a protected veteran or status as a qualified individual with a disability, or political opinion or affiliation, against any employee of Service Provider or applicant for employment and shall include a similar provision in all subcontracts let or awarded hereunder. The parties hereby incorporate the requirements of 41 C.F.R. §§ 60-1.4(a)(7), 29 C.F.R. Part 471, Appendix A to Subpart A, 41 C.F.R. § 60-300.5(a) and 41 C.F.R. § 60-741.5(a), if applicable.

**12.1.** This Service Provider and subcontractor shall abide by the requirements of 41 C.F.R. §

60-300.5(a). This regulation prohibits discrimination against qualified protected veterans and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans.

**12.2.** This Service Provider and subcontractor shall abide by the requirements of 41 C.F.R. § 60-741.5(a). This regulation prohibits discrimination against qualified individuals on the basis of disability and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified individuals with disabilities.

**13. Occupational License.** The Service Provider shall obtain and maintain an occupational license or business registration with the City of Nixa, Missouri, if required by city code and any required state or federal requirement. The cost for this occupational license shall be borne by the Service Provider.

**14. Insurance Requirements.**

**14.1.** Without limiting any of the other obligations or liabilities of the Service Provider, Service Provider shall at all times during the Term of this Contract, and for a period of three years thereafter, unless waived in writing by the City, at Service Provider's sole cost and expense, at least the following types and amounts of insurance:

**14.1.1. Commercial General Liability Insurance** with limits no less than \$532,148.00 per person and \$3,547,658.00 in the aggregate, including bodily injury and property damage, which policy shall include contractual liability covering insuring the activities of Service Provider under this Contract;

**14.1.2. Worker's Compensation Insurance** with statutory coverage as provided for in RSMo. 287.010 et seq.;

**14.1.3. Employers Liability Insurance** with limits no less than \$532,148.00 per person and \$3,547,658.00 in the aggregate;

**14.1.4. Commercial Automobile Liability** covering all owned, non-owned, and hired vehicles, with limits no less than \$532,148.00 per person and \$3,547,658.00 in the aggregate;

**14.2.** All insurance policies required pursuant to Paragraph 14 shall:

**14.2.1.** Be issued by insurance companies reasonably accepted by the City, able to transact business within the State of Missouri, and with an A.M. Best Rating of no less than an A- Rating, Financial Size Category VII.

**14.2.2.** Provide that such insurance carriers give the City at least 30 days' prior written notice of cancellation or non-renewal, or material reduction in coverage. The Service Provider shall be required to provide the City with an identical written notice within the same timeframe. Notwithstanding any provisions to the contrary, the Service Provider shall have new insurance policies in place that meet all requirements of this Paragraph 14 prior to such cancellation, non-renewal, or reduction.

**14.2.3.** Be endorsed to provide a Waiver of Subrogation in favor of the City and its officials, employees, and agents, on all policies required by this Agreement.

**14.2.4.** Be endorsed to provide that such insurance is primary insurance and any similar insurance in the name of or for the benefit of the City shall be excess and non-contributory.

**14.2.5.** Name the City and its officials, employees, and agents, as additional insureds on the Commercial General Liability and Commercial Automobile Liability policies.

**14.2.6.** All underlying policies required by this Contract (e.g., Commercial General Liability, Automobile Liability, Employer's Liability) must be in place. An Umbrella or Excess Liability policy may be used to satisfy the total limit requirements for the underlying policies. Furthermore, any General Aggregate limit for a Commercial General Liability policy shall apply on a 'per-project' or 'per-location' basis by endorsement.

**14.3.** Service Provider shall provide City with copies of the certificates of insurance and policy endorsements for all insurance coverage required by this Paragraph 14 at the time of execution of this Contract and shall not do anything to invalidate such insurance.

**14.4.** Failure of the Service Provider to maintain the coverages set out in this Paragraph 14 shall not relieve it of any contractual responsibility or obligation or liability in general or under this Contract.

**14.5.** This Paragraph 14 shall not be construed in any manner as waiving, restricting, or limiting the liability of the Service Provider for any obligations imposed under this Contract (including but not limited to, any provisions requiring a party hereto to indemnify, defend, and hold harmless under this Contract).

**14.6. Subcontracts.** In case any or all the performance of this Contract is sublet, the Service Provider shall require the subcontractor to procure and maintain all insurance required in this Paragraph 14. Service Provider shall provide evidence of such insurance from said subcontractor.

**14.7. Changes in policy limits.** In the event the scope or extent of the City's tort liability as a governmental entity as described in Section 537.600 through 537.650 RSMo. is broadened or increased during the term of this Contract by legislative or judicial action or in the event that the Sovereign Immunity limits for a given calendar year, as published annually on the Missouri Register by the Missouri Department of Insurance are increased during the term of this Contract, the City may require Service Provider, upon 10 days written notice, to execute a contract addendum whereby the Service Provider agrees to provide, at a price not exceeding Service Provider's actual increased premium cost, additional liability insurance coverage as the City may require to protect the City from increased exposure as the result of increase. Any such additional insurance coverage shall be evidenced by an appropriate certificate of insurance and shall take effect within the time set forth in the addendum.

**14.8. Survival.** The provisions of this Paragraph shall survive the termination or expiration of this Contract.

**15. Service Provider's responsibility for subcontractors.** The Service Provider shall be fully responsible to the City for the acts and omissions of its subcontractors, and of persons either directly or indirectly employed by them, as Service Provider is for the acts and omissions of persons it directly

employs. Service Provider shall cause appropriate provisions to be inserted in all subcontracts relating to this Contract, to bind all subcontractors to Service Provider by all the terms herein set forth, and insofar as applicable to the work of subcontractors and to give Service Provider the same power regarding termination of any subcontract as the City may exercise over Service Provider under any provisions of this contract. Nothing contained in this contract shall create any contractual relation between the subcontractor and the City.

**16. Independent Contractor Clause.** This Contract does not create an employee/employer relationship between the parties. It is the parties' intention that the Service Provider shall be an independent contractor and not the City's employee for all purposes, including, but not limited to, the application of the Fair Labor Standards Act, minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, Missouri revenue and taxation laws, Missouri workers' compensation, and unemployment insurance laws. The Service Provider shall retain sole and absolute discretion as to the judgment and manner and means of carrying out the Service Provider's activities and responsibilities hereunder. The Service Provider agrees that it is a separate and independent enterprise from the public employer, that it has a full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Contract shall not be construed as creating any joint employment relationship between the Service Provider and the City, and the City shall not be liable for any obligation incurred by the Service Provider, including but not limited to unpaid minimum wages and/or overtime premiums.

**17. Liability and Indemnity.**

**17.1.** In no event shall the City be liable to the Service Provider for special, indirect, or consequential damages, except those caused by the City's gross negligence or willful or wanton misconduct arising out of or in any way connected with a breach of this contract. The maximum liability of the City shall be limited to the amount of money to be paid or received by the Service Provider under this contract.

**17.2.** The Service Provider shall defend, indemnify and save harmless the City, its elected or appointed officials, agents and employees from and against any and all liability, suits, damages, costs (including attorney fees), losses, outlays and expenses from claims in any manner caused by, or allegedly caused by, or arising out of, or connected with, this contract, or the work or any subcontract thereunder (the Service Provider hereby assuming full responsibility for relations with subcontractors), including, but not limited to, claims for personal injuries, death, property damage, or for damages from the award of this contract to Service Provider, except to the extent such liability is caused by the sole negligence of the City, its officials, agents and employees.

**17.3.** The Service Provider shall indemnify and hold the City harmless from all wages or overtime compensation due any employees in rendering services pursuant to this Contract or any subcontract, including payment of reasonable attorneys' fees and costs in the defense of any claim made under the Fair Labor Standards Act, the Missouri Prevailing Wage Law or any other federal or state law.

**17.4.** The indemnification obligations of Service Provider hereunder shall not be limited by any limitations as to the amount or type of damages, compensation or benefits payable by or for the Service Provider, under any federal or state law, to any person asserting the claim against City, its elected or appointed officials, agents, and employees, for which indemnification is sought.

**17.5.** The indemnification obligations herein shall not negate, abridge or reduce in any way any additional indemnification rights of the City, its elected or appointed officials, agents and employees, which are otherwise available under statute, or in law or equity.

**17.6.** Service Provider affirms that it has had the opportunity to recover the costs of the liability insurance required in this Contract in its contract price.

**17.7.** The Service Provider shall indemnify and hold the City harmless for any penalties, fines, fees or costs, including costs of defense, which are charged or assessed by any federal, state or local agency including, but not limited to, Environmental Protection Agency or Department of Natural Resources.

**17.8.** The provisions of this Paragraph shall survive the termination or expiration of this Contract.

**18. Contract Documents.**

**18.1.** The entire Contract of the parties shall consist of the following documents:

**18.1.1.** This Contract; and

**18.1.2.** Scope of Services (Exhibit A); and

**18.1.3.** Equipment and Pricing (Exhibit B).

**18.2.** The above listed documents are attached hereto and incorporated by their reference herein as though fully set forth herein.

**18.3.** No modification, amendment, or waiver of any of the provisions of this Contract shall be effective unless in writing specifically referring hereto and signed by both parties.

**18.4.** In the event of a conflict between terms, the terms of this Contract, exclusive of its Exhibits, Attachments, or Schedules, shall control over the terms of any Exhibit, Attachment, or Schedule.

**19. Nonresident or Foreign Service Providers.** The Service Provider shall procure and maintain during the life of this Contract:
